**To whom it may concern**

Dear colleagues,

I am writing this reference at the request of Danuse Nerudova who is applying for a Professor position. I have known Danuse Nerudova since 2005 in my capacity as Professor and Head of the Institute for Austrian and International Tax Law at WU Vienna University of Economics and Business, Austria.

I have worked closely with Danuse Nerudova on several projects organized by Institute of International Tax Law, WU Vienna, Austria, where she has focused on several aspects of international taxation. She is exceptionally motivated and hard working. Her excellent research ability reflects the fact that she has been granted several research projects, not only on national, but also on European level. Danuse Nerudova has first-rate academic abilities - she displays impressive logical thinking abilities and an intellectual curiosity beyond that of her peers.

Aside from her outstanding academic qualities, as a result of her research efforts Danuse Nerudova had published high quality publications submitted at several international conferences and top journals. During her academic career she confirmed her ability of interdisciplinary research as well as educational skills.

In conclusion, I would highly recommend Danuse Nerudova for the position of Professor. If you should need any additional information please contact me by email at [Michael.Lang@wu.ac.at](mailto:Michael.Lang@wu.ac.at) anytime.

Sincerely,

Univ.-Prof. Dr. Dr. h.c. Michael Lang
